

[Docket No. RP96-41-001]**Kern River Gas Transmission Company; Notice of Proposed Changes in FERC Gas Tariff**

March 19, 1996.

Take notice that on March 14, 1996, Kern River Gas Transmission Company (Kern River) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, the following tariff sheets:

Second Revised Sheet No. 436
Second Revised Sheet No. 437

Kern River requests waiver of the 30-day notice requirement in Section 154.207 and proposes a March 15, 1996, effective date. Kern River states that good cause exists to support waiver because these sheets are submitted only to reflect a change of address Kern River's administrative offices from Houston, Texas to Salt Lake City, Utah, and to reflect that change in the choice of law provision of the Form of License Agreement from Texas to Utah for Kern River's RAPIDS II electronic bulletin board service. Kern River also states that it is reserving the right to move these tariff sheets into effect after the effective date so that it can place all the RAPIDS II tariff sheets into effect upon completion of the RAPIDS II test program.

Kern River also requests, to the extent necessary, waiver of 18 CFR 154.205 governing changes to suspended tariff sheets. Kern River states that waiver may be unnecessary because these revised tariff sheets propose to replace tariff sheets that were accepted and suspended by the Commission in a December 28, 1995, order, but the suspension period terminated on March 1, 1996.

Kern River states that copies of the filing were served upon Kern River's jurisdictional customers and all affected state commissions.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street NE., Washington, D.C. 20426, in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.211). All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. All protests filed with the Commission will be considered in determining the appropriate action to be taken, but will not serve to make the protestants parties to the proceeding. Copies of this filing are on file with the Commission and are

available for public inspection in the Public Reference Room.
